((Gator Hunts --Aug 15 - Nov 1))

You need to book your trip prior to Mar 1st

These prices reflect the hunts that I own, if you apply and get your own Tags and lic.," application link below". Hunt fees will be the same but this will help increase the chance that you will get a hunt as it is all based on a lotto system and then a first come basis after that, all explained in the links below. You appling on your own also assures that you can apply for the hunt dates you want. It's a little confusing. I already have a agent lic.wich will enable me to be with you if you own the hunt. If you come with me on my hunts that I own you will need a $50 agent lic.

((Gator Hunts --Aug 15 - Nov 1))

You need to book your trip prior to Mar 1st

For those of you that apply and get your own lic. and tags.

We will try to get out there and get one the first night you are available to go .

You should leave yourself a few extra days to go after that. You will only get a week to fill your tags on that specific body of water.

Your tags are non transferable and must be filled or they will be forfeited.

One Night One Gator My permit and tags

5 hours with 1 hunter $750.00 - Each additional hour past 5hrs. 100.00 per hourfor the boat, we burn tons of fuel.

This seems expensive but we can burn up to $100 an hour in fuel.

Really I am only making money with the trophy fee.

5 hours with 2 hunters is $850.00

If you do not harvest a gator the first night, every night after that will be at the rate of $100. per hour rate

*If you harvest 1 gator: ** If you harvest a 2nd Gator:

Harvest prices as follows

$100 per foot per gator.

The prices reflect as the Danger level increases.

Hunting will be done from 5pm till 10am only!!!

I will skin your gator, under 8' for you process and bag your gator meat, up to 10lbs. head and hide are yours for Trophy Mounting

This fee is charged by 25$ per foot and I get the rest of the meat.

You will be hunting with an extremly qualified Capt.Brady and 1st mate. This is a team hunt as it is almost impossible to land a gator over 9' alone.

The Mate works strictly for tips.

((SPECIAL RATES))

***If you book two consecutive days or more on any saltwater trip, I will offer $50 off each day, after the first day.

****For the “hard-core” angler, if you book four consecutive saltwater trips days at FULL rates, I will take you the 5th day for free. (which is an ever GREATER savings)

If you want to insure catching all the great fish that are available in these waters, fishing for 5 consecutive days would most likely assure you’d have an opportunity to catch most of these species.
